- From Canmore, AB, take Highway 1 East to Kananaskis turnoff onto Highway 40 for about 10 minutes until you reach the Highway 60 turnoff. Turn left onto Highway 60 (good quality dirt road). Continue over a wooded pass until it opens up onto fields. You will see a good quality gravel road on the right called the Powderface Trail (not shown on this map). Although it says cars go at their own risk, its in very good shape. Go down this road around 10 minutes until the Dawson Creek Parking Lot.
